

AMERICA SCORES

A Statement From America SCORES

The brutal murder of George Floyd is the latest in a tragic pattern of events that are the product of centuries of racial discrimination and injustice against the black community.

America SCORES stands with our community against hatred, prejudice, racism, and police violence. Black Lives Matter.

We believe young people can help us create a more inclusive, cohesive, just, and united humanity; a society where no one lives in fear because of the color of their skin; a world where intolerance, inequity, and systemic racism do not exist.

To our America SCORES poet-athletes: your opinions, feelings, and ideas are important. We love you, we see you, and we are committed to working alongside you and to amplifying your voices. We urge everyone to join us in listening to you. We hope society will take your words to heart as we fight for a better tomorrow.
