Summer Camp Description

Safety is one of the biggest issues and concerns of parents regarding their children during summer vacation. Without the routine structure of school and a lack of quality recreational facilities in urban areas our children are often left vulnerable. As our children pass from one grade to another and passes through the summer months we want to provide a SAFE passage for our children that include fun, educational, and cultural enrichment. Students will be in a safe controlled setting where each student will get the attention they need and deserve. We allow students to have fun and to be culturally motivated by their environment.

S.A.F.E. Passage Summer Camp at Better Family Life seeks to empower African-American youth to be active participants and leaders in the progress of their community.

Grounded in the African concept that “it takes a village to raise a child;” the program seeks to assist parents in the development of healthy and productive children. Members will experience and participate in an intensive eight weeks of African and African-American students, Dance and Drama, field trips, arts and crafts, sports, swimming and much more.

It all starts with our outstanding camp counselors.

A camp is only as good as its staff, and we are extremely proud of ours. Talent, creativity, love of children, leadership and devotion make our camp counselors the heart and soul of the program. Camp counselors and specialists are doing exactly what they enjoy most: spending a summer inspiring campers to explore, reach for new heights, and expand their horizons.

Academic Enrichment

We offer academic and personal enrichment programs for students in grades K-12. Our educational programs provide ideal skills to help instill positive values for their future. Our academic summer program helps students increase their grades, confidence and motivates them to make proud and responsible choices.

Art, Music, Dance and Drama

Once a week by instruction with over 40 years of experience, campers receive instruction in ballet, contemporary, Dunham, West African, Afro Caribbean, lyrical, tap, jazz, capoeira, and hip hop. Youth learn the basic rhythms of the following hand drums; Djembe, Congas, Dundun and Kenkeni. Youth in the class also have the opportunity to participate in the Kuumba Youth Performance Ensemble (K.Y.P.E.) and participate in our end-of-summer production.

Sports

Campers will learn individual practices that develop agility, balance and coordination, multiple ways to turn, fake and beat opponents, juggling, lifts and balances. They will work on dribbling and changing direction while in control of the ball as well as improving accuracy, pace and timing of passes. Sports activities include soccer, tennis, obstacle courses and more.

Community Service and Business Development

Engaging in community service provides campers with the opportunity to become active members of their community and has a lasting, positive impact on society at large. Community service projects will enable students to acquire life skills and knowledge, as well as provide a service to those who need it most.

S.T.E.A.M.

Campers will experience fun and crazy science projects and experiments. Students will learn the magic of science while they create crazy concoctions. Campers are sure to have a blast while participating in all of our great science activities.

Youth Leadership Academy

Youth Leadership Academy Description

The Youth Leadership Academy at Better Family Life offers a fun-filled summer program for rising leaders ages 12-18.

Better Family Life's Youth Leadership Academy (YLA) builds the leadership skills and capacity of St. Louis Youth to weigh in on policies that impact their daily lives as youth in our community. The Youth Leadership Academy aims to train youth in critical leadership competencies which will prepare them to work effectively with key stakeholders. Through experiential learning opportunities, inquiry skills and strategic communication, youth are better equipped to address the greatest challenges facing our city.

In addition to the leadership training, your child will also get a chance to participate in activities such as, the Teen Pregnancy and STD/HIV Prevention training, field trips around St. Louis, Dance and Drama courses, Swimming, Basketball camp and local college fairs and tours.

The Network

YLA brings together a network of civic-minded students of diverse backgrounds committed to lifting up youth voices and leading change. Upon graduation from the YLA, they join an accomplished community of BFL alumni from all industries and sectors who are dedicated to supporting one another and improving the City so that it is a better place to live, work, and learn.

The Skills

Participants will gain a deeper understanding of education policy, the skills to engage their peers and other community members in decision-making processes, and the opportunity to make a real and lasting impact in the school system.
